# WORLD DEMOLITION AWARDS 2020

## ENTRY FORM

WORLD  
DEMOLITION  
SUMMIT 2020

HOSTED ONLINE  
12 NOVEMBER 2020  
3 PM (UK TIME)

## RECYCLING AND ENVIRONMENTAL DEMOLITION

**DEADLINE: 30 - 06 - 2020**

### GUIDANCE NOTES

- All entries must be on an official entry form (Word or PDF).
- The project must have started or ended between 1 July 2019 and 30 June 2020.
- Entries should be in English. If you wish to enter in a different language, please contact Steve Ducker.
- You can enter for more than one award. You can also enter more than once in the same category. However, specific projects can be entered for one category only.
- If you are sending in more than one entry, please use a separate form for each one.
- The awards statement should be 1,200 words maximum. It should be based on the award criteria. This will be sent to the judges for the shortlisting process.
- Supporting material can include your recycling and environmental strategy, demolition methodology statement, site waste management plans, photographs, video and media coverage. But it is not limited to these items.
- If using a client or other third party testimonial, please confirm that you have their permission.
- The executive summary should be an edited version of the project summary. Maximum 250 words. This will be published in D&Ri if your company is shortlisted.
- Bullet points should be 15-20 words each and limited to a maximum of five items. These will be published in the Shortlisted Companies Brochure if your company is shortlisted.
- Please supply your company logo and at least one high resolution jpeg photo.
- Send your entry and supporting material electronically to [steve.ducker@khl.com](mailto:steve.ducker@khl.com)
- If your entry is too large to e-mail (if it contains lots of photos or video it probably will be), please send by wetransfer, dropbox or similar.

### AWARD CRITERIA

The winner of this category will be able to demonstrate a commitment to reducing the environmental impact of its operations. As well as clear evidence of effective recycling strategies, the judges will be looking for evidence of "green" working practices, investment in cleaner equipment and effective control of noise, pollution and disturbance. Primary criteria against which entries will be assessed are: Professionalism/Expertise; Environmental Impact Management; Approach to Recycling; Client Satisfaction. There is no charge for entering the World Demolition Awards and we look forward to hearing from you.
